Pound

Proiettori con sorgente luminosa LED array ad alta resa cromatica, con riflettore in policarbonato metallizzato. Corpo in alluminio estruso verniciato a polveri

Track spotlights with an LED array light source featuring a high colour rendering, with a metallized polycarbonate reflector. Powder-coated, extruded anodised aluminum body

Possibilità di scegliere tra tre ottiche a seconda delle esigenze
Possibility to choose between three optics according to the needs

I-LèD RèTAIL ha selezionato 3 diversi LED per offrire sempre il giusto equilibrio tra resa cromatica, quantità di luce, consumo energetico e investimento d'impianto: l'obiettivo è ottenere un TCO adeguato alle esigenze di ogni spazio retail, grazie alla durata e alle prestazioni illuminotecniche dei migliori diodi.

I-LèD RèTAIL has selected 3 different types of LEDs to offer always the right balance between colour rendering, light emission, energy consumption and installation costs: the final aim is to obtain a TCO in line with the requirements of any retail space thanks to the long life and the lighting performance of the best diodes.
