

Corpo in alluminio pressofuso, vetro di protezione (ove previsto) temperato.
Disponibile per lampade a ioduri metallici, alogena, a 3 LED o 7 LED luce bianco calda o fredda, LED multichip.
Alimentatore integrato. Adattatore e lenti a fascio stretto, medio e largo disponibili come accessori.

Body in die cast aluminum, protection glass (where used) that is also tempered.
Available for metal halide bulbs, halogens, for 3 LED or 7 LED cold or warm white, and multichip LED.
Ballast included.

Adaptor for lenses for narrow, medium and wide beam available as accessories.

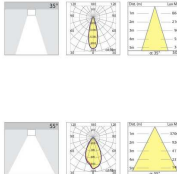

Corps en fonte d'aluminium, verre de protection trempé.
Peut être équipé de lampes iodures métalliques, halogène ou 3 LED ou 7 LED blanc chaud ou froid, LED multichip.
Alimentation incluse. Adaptateur et lentille pour faisceau étroit ou large disponibles sur demande.

cVik 197

MCE4208 OR-CE 51 - GU5.3 50W
Versione small con adattatore, per lampada alogena dicromica a bassissima tensione.
Small version with adapter, for low tension halogen lamp.
Version small avec adaptateur, pour lampe halogène.

MCE4206 PAR16 - GU10 50W
Versione small con adattatore, per lampada alogena a tensione di rete.
Small version with adapter, for halogen lamp.
Version small avec adaptateur, pour lampe halogène.

MCE4212 HIT - G12 70W
Versione large con adattatore, per lampada a ioduri metallici.
Standard reflector 55°.
Large version with adapter, for metal halide lamp. 55° standard reflector for art.
Version large avec adaptateur, pour lampe aux iodures métalliques. Réflecteur standard 55°.

MCE4218 QR111 - CS3 75W
Versione large con adattatore, per lampada alogena.
Large version with adapter, for halogen lamp.
Version large avec adaptateur, pour lampe halogène.

Accessori / Accessories / Accessoires

MCE4251 N
Riflettore a fascio stretto (15°) per art. MCE4212.
Narrow beam reflector (15°) for art. MCE4212.
Réflecteur intensivo (15°) pour art. MCE4212.

MCE4253
Filtri colorati per art. MCE4212.
Coloured filters for art. MCE4212.
Version small avec adaptateur, pour art. MCE4212.

MCE4256
Alinea antiabbagliamento nero per art. MCE4212.
Black beam door for art. MCE4212.
Fus noir anti-reflets pour art. MCE4212.

MCE4251 M
Riflettore a fascio medio (24°) per art. MCE4212.
Medium beam reflector (24°) for art. MCE4212.
Réflecteur intensivo (24°) pour art. MCE4212.

MCE4255
Griglia honey comb per art. MCE4212.
Honey comb grille for art. MCE4212.
Grille honey comb pour art. MCE4212.

MCE4257
Dispositivo asimmetrico nero per art. MCE4212.
Asymmetric device for art. MCE4212.
Dispositif asymétrique noir MCE4212.

GEMELLA LED

MCE4231.156 3 LEDx1,2W
Versione small con adattatore, con 3 LED bianco freddo 5500K; con lenti, driver 350 mA incluso.
Standard reflector 55°.
Version small avec adaptateur, 3 cold white LED 5500K; with lenses, driver 350 mA included.

MCE4231.158 3 LEDx1,2W
Versione small con adattatore, con 3 LED bianco caldo 3000K; con lenti, driver 350 mA incluso.
Standard reflector 55°.
Version small avec adaptateur, 3 warm white LED 3000K; with lenses, driver 350 mA included.

MCE4235.157 15W LED 1440lm
Versione large con adattatore, con 1 LED bianco naturale 4000K; riflettore 24°; driver incluso.
Large version with adapter, 1 natural white LED 4000K; 24° reflector; driver included.
Version large avec adaptateur, pour 1 LED blanc naturel 4000K; réflecteur 24°; driver inclus.

MCE4235.158 15W LED 1235lm
Versione large con adattatore, con 1 LED bianco caldo 3000K; riflettore 24°; driver incluso.
Large version with adapter, 1 warm white LED 3000K; 24° reflector; driver included.
Version large avec adaptateur, pour 1 LED blanc chaud 3000K; réflecteur 24°; driver inclus.

MCE4241.157 7 LEDx1,2W
Versione large con adattatore, con 7 LED bianco naturale 4000K; con lenti, driver 350 mA incluso.
Large version with adapter, 7 natural white LED 4000K; with lenses, driver 350 mA included.
Version large avec adaptateur, pour 7 LED blanc naturel 4000K; avec lentilles, driver 350 mA inclus.

MCE4241.158 7 LEDx1,2W
Versione large con adattatore, con 7 LED bianco caldo 3000K; con lenti, driver 350 mA incluso.
Large version with adapter, 7 warm white LED 3000K; with lenses, driver 350 mA included.
Version large avec adaptateur, pour 7 LED blanc chaud 3000K; avec lentilles, driver 350 mA inclus.
