

Cabrio Incasso

Cabrio Incasso è un apparecchio d'illuminazione da esterni utilizzabile come modulo singolo o in fila continua a pavimento o in qualsiasi struttura muraria.

È costituito da un profilo in estruso di alluminio, finitura anodizzato naturale, con testate in alluminio e vetro temperato e sabbiato. Può ospitare sorgenti luminose xenon, fluorescenti e LED.

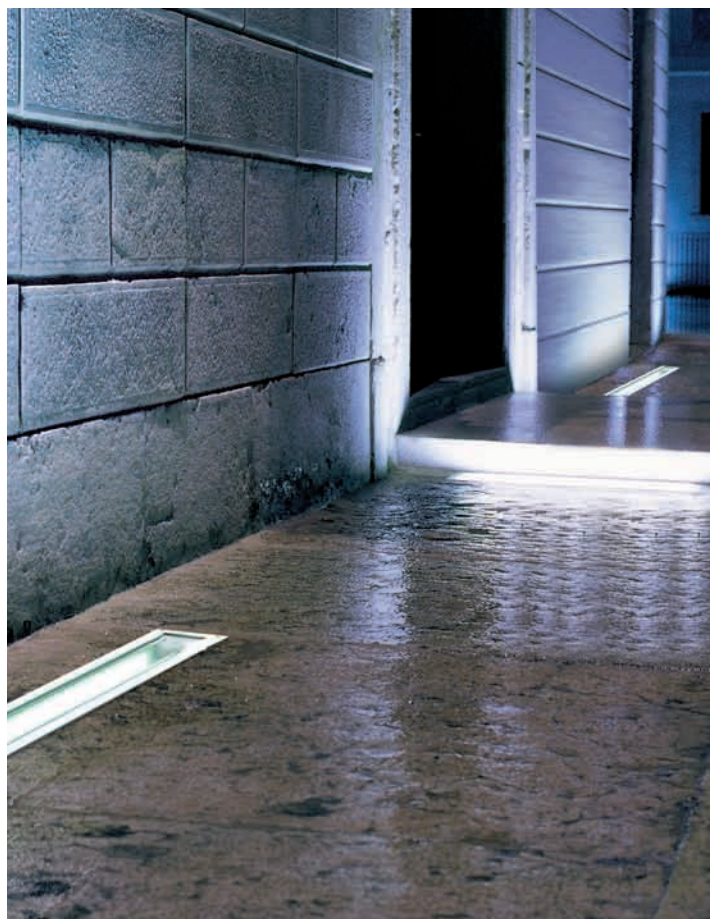

Cabrio Incasso is an outdoor recessed lighting fitting used as a single element or continuous lines on floors or in any wall structure.

It's made of an aluminium profile, anodised finished, with aluminium end caps and tempered sanded glass. It can host xenon and fluorescent lamps and LEDs.

Cabrio Incasso est un appareil à encastrement pour extérieurs, utilisable en pose individuelle ou en ligne continue à installer au sol ou dans d'autres structures de maçonnerie.

Il est réalisé en aluminium extrudé, finition anodisée, avec embouts de fermeture en aluminium avec verre trempé et satiné.

Il peut accueillir lampes xénon, lampes fluorescentes et LED.

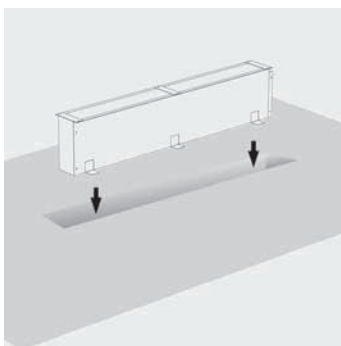

L'apparecchio va utilizzato con l'apposita cassaforma in lamiera zincata.

The lighting fitting must be used with its own recessed housing in galvanized plate.

L'appareil est à utiliser avec boîtier d'encastrement en tôle galvanisée.

La cassaforma da cementare in cantiere è dotata di alette che ne impediscono la deformazione.

The recessed housing to be cemented is supplied with special springs that avoid the distortion.

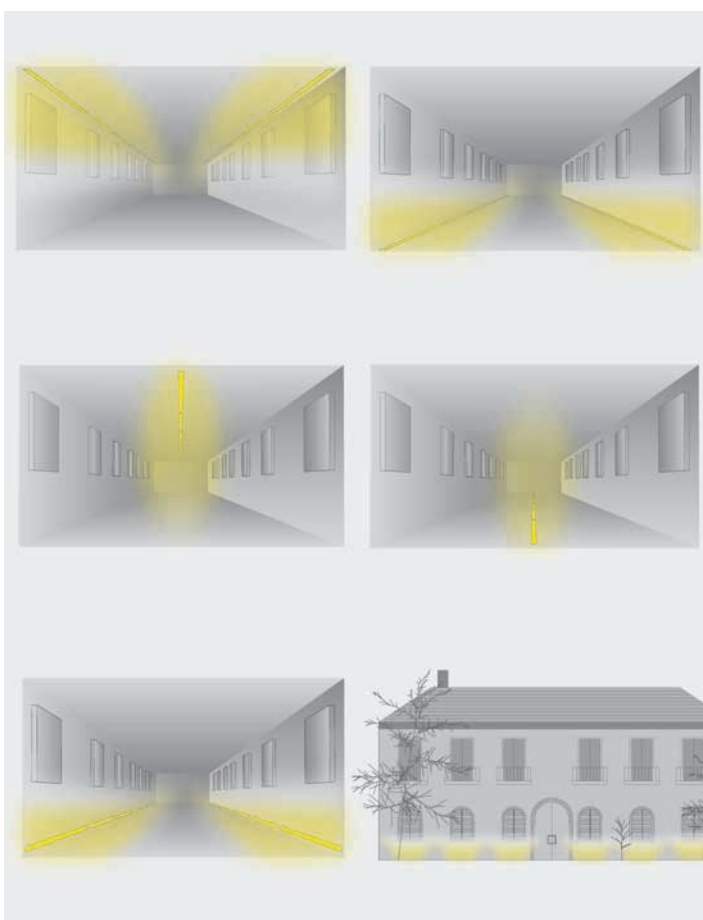

Le boîtier d'encastrement à poser en chantier est équipé avec des ailettes pour empêcher la déformation.

La resistenza dell'apparecchio al carico dinamico è 5 Kg da un'altezza di 40 cm.

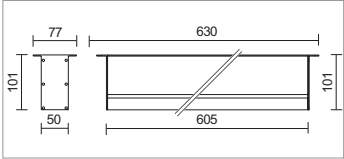

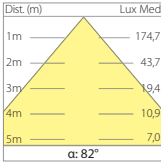

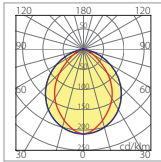

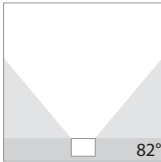

The resistance of the fitting to the dynamic weight is 5 Kg from a 40 cm height.

La résistance de l'appareil au poids dynamique est 5 Kg d'une hauteur de 40 cm.

JED.24M T5 - G5 1x24W
Versione da 630 mm per una lampada fluorescente, fascio simmetrico. Reattore elettronico incluso.
Version 630 mm for one fluorescent lamp, symmetric beam. Electronic ballast included.
Version de 630 mm pour une lampe fluorescente, réflecteur symétrique. Ballast électronique inclus.

JED.07XEN5 XENON - SV 8,5-8 7x6W
Versione da 630 mm per 7 lampade xenon. Trasformatore elettronico incluso.
Version 630 mm for 7 xenon lamps. Electronic transformer included.
Version de 630 mm pour 7 lampe xenon. Transformateur électronique inclus.
