

**Semplicità, leggerezza e unicità**  
Queste le caratteristiche del design di 'Arc', nato proprio con lo scopo di essere un oggetto minimalista, adatto a sposarsi con il design degli arredi contemporanei, creando un chiaro e nitido arco di luce.

**Simple, light and unique**  
These little words to describe 'Arc', a minimalist model by design, ideal to complement modern furniture, creating a clean, sharp archway of light.

**Einfachheit, Leichtigkeit und Einzigartigkeit**  
Dari sind die Eigenschaften der Lampe 'Arc', die mit dem Ziel entstanden ist, ein minimalistischer Gegenstand zu sein, der sich dem Design der zeitgenössischen Einrichtungen anpasst und einen reinen und klaren Lichtbogen bildet.

**Simplicité, légèreté et unicité**  
Voici les caractéristiques d' 'Arc', né précisément pour le but de représenter un objet minimaliste, apte à entrer en harmonie avec le design des aménagements contemporains, en créant un arc de lumière propre et net.

**Простота, легкость и уникальность**  
Такие характеристики присущи 'Arc', рожденный для помещения с современным интерьером, создавая чистую, прозрачную световую дугу.

**L'intiera serie si avvale di eco-tecnologia led, garantendo un basso consumo energetico.**
