Design Roberto Favaretto

Serie di lampade a luce diffusa da parete, tavolo, terra e sospensione. Struttura in metallo cromato, base in metallo verniciata nei colori bianco o nero. Diffusore in vetro extrachiaro serigrafato bianco o serigrafato nero e satinato o foglia oro 24k. Il decoro riprende motivi tipici degli anni sessanta rivisitandoli in un contesto attuale, creando interessanti effetti di trasparenze e bagliori diffusi.

Range of wall, table, floor and pendant lamps giving diffused light. Metal frame in chrome finish, painted base. Glass diffuser white silk-screen printed or satin black silk-screen printed or with gold foil. The collection is inspired by the 60s, yet still having a contemporary style; the elegant effects of transparencies and flashes make it unique for domestic and contract applications.

Leuchten Serie mit Streulicht für Wand-, Tisch-, Steh- und Hängeleuchte, Metallarmatur chrom, Basis lackiert. Diffusor aus extra-klarem und siebgedrucktem Glas weiß oder siebgedrucktem schwarz satiniert oder mit Gold-Folie. Die Kollektion inspiriert sich zu den 60er-Jahren, jedoch mit einer Touch cooler Technik. Das Dekor des Glases bietet interessante Spiele von Transparenzen und diffusen Schimmern an. Geeignet für den Wohnbereich sowie auch für die Hotellerie.

Collection d'appliques, lampes de table, lampadaires et suspensions à lumière diffuse. Structure en métal, finition chromé, base vernisée. Diffuseur en verre extra-clair serigraphié blanc ou serigraphié noir et satiné ou avec détails en feuille or. Le décor reprend le style des années 60, toutefois lui donnant une touche absolument unique de fraîcheur et originalité dans le design. À noter les effets de transparence et de lueurs du verre serigraphié.

Serie de lámpara de luz difusa de pared, mesa, de pie y suspensión. Estructura de metal cromado, base pintada. Difusor de cristal extra-claro serigrafiado blanco ó serigrafiado negro y satinado ó con lámina de oro. La decoración toma motivos típicos de los años sesenta adecuándolos a un contexto actual, creando interesantes efectos de transparencia y difusos.
