

Simonne monolampada luce simmetrica sorgente orientabile

accessori per l'installazione da ordinare a parte
Simonne single lamp symmetric light adjustable source
kit for installation to be ordered separately

led o alogena a tensione di rete
vetro satinato non installabile con sorgenti led
led or halogen standard voltage
satin finish glass not allowed to install with led sources

codice code	W (led) max	W (halo) max		
* I172O1050BS-GS	1x5,5	1x50	GU10	con vetro satinato with satin finish glass
I172O1050BK-GK	1x5,5	1x50	GU10	senza vetro satinato wi- thout satin finish glass

Materiali: corpo e cornice in lega di alluminio verniciata,
versione con vetro piano satinato
Materials: structure and frame made of painted aluminium alloy,
version with satin finish flat glass
Cablaggio: a tensione di rete
Wiring: standard voltage

alogena 12V trasformatore da ordinare a parte
halogen 12V transformer to be ordered separately

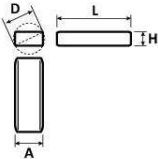

codice code	W max		
* S172O1050BS-GS	1x50	GU5,3	con vetro satinato with satin finish glass
S172O1050BK-GK	1x50	GU5,3	senza vetro satinato wi- thout satin finish glass

Materiali: corpo e cornice in lega di alluminio verniciata,
versione con vetro piano satinato
Materials: structure and frame made of painted aluminium alloy,
version with satin finish flat glass
Cablaggio: trasformatore elettronico dimmerabile 12V non incluso
Wiring: electronic dimmable transformer 12V not included

Lampada a led Philips 230-240 V 50/60 Hz (per Simonne monolampada luce simmetri- ca)

Philips led bulbs (for Simonne single-lamp symmetric light) led standard voltage

2700K
