

Minù

Minù è una collezione di apparecchi di illuminazione dalle forme essenziali e raffinate.

È adatto in spazi interni sobri ed eleganti, e si rivolge ad una clientela raffinata.

La struttura è in alluminio estruso con diffusore in policarbonato opalino.

La vastità dei modelli rettangolari o quadrati, bilampada e quadrilampada, per installazione a plafone, sospensione e parete consente un'applicazione ampia e diversificata. Tutte le versioni possono ospitare lampade fluorescenti T5.

Minù is a family of lighting fittings having essential and refined shapes. It is adapt to inner and elegant rooms and is addressed to refined customer's base.

Its structure is made of extruded aluminium with an opal polycarbonate diffuser.

Thanks to the variety of rectangular or square, two-lamps or four-lamps models for ceiling, suspended or wall installation, it fits in many and different environments.

All the versions can host T5 fluorescent bulbs.

Minù est une collection d'appareils d'éclairage de forme simple et raffinée.

Elle s'adapte aussi bien dans les extérieurs sobres qu'élégants.

Sa structure est en aluminium extrudé avec diffuseur en polycarbonate opalin.
