TAXI 1 S WING 150

Ordering code	Color / Finish
01293.01	Matt white
01293.19	Matt silver grey

Description : Suspension luminaires made of die-cast/extruded aluminium, lacquered. Central module providing direct light. Reclining fully swivelling lateral reflectors allowing direct and indirect light. Double switching. Parabolic reflector light distribution of the lateral modules asymmetric; of the central one symmetric. Polycarbonate screens. Ceiling plate in technopolymer; Steel suspension cables fitted with concealed alignment device. Double switching. It is possible to mount the luminaire offcentre by use of a decentralizing support.

General

Product type : Fluorescent luminaires
Mounting : Pendant
Environment : Indoor

Electrical

Control gear availability : Included
Control gear mounting : Integral
Control gear type : Electronic
Emergency : Without
Switching : Double switching.
Tension (V) : 230

Physical

Fixture aiming : Swivelling
Width (cm) : 28
Length (cm) : 153
Cord length (cm) : 200
Net weight (kg) : 8.5
Structure material : Extruded aluminum, Die-cast aluminum, Lacquered metal

Number of heads : 1
Number of lamps : 3

Optical

Light distribution : Direct - Indirect lighting
Diffuser finish : Transparent
Diffuser material : Polycarbonate
Reflector finish : Aluminum

Lamps

Lamps description : 3 x FD 80W G5
